Action Taken Report (ATR) on the Resolutions of the Previous IQAC Meeting (March)

The Coordinator of the Internal Quality Assurance Cell presented the Action Taken Report (ATR) for the month of **March** on the decisions taken in the previous meeting before the members for review and confirmation.

S. No.	Agenda of Previous Meeting	Decision Taken	Action Taken / Status
1.	Organization of academic programmes for faculty members and research scholars	It was decided to organize academic programmes such as seminars, workshops, and Faculty Development Programmes to enhance research skills, awareness of IPR and anti-plagiarism practices, and promote understanding of Indian Knowledge Systems.	A Seminar on "High-Impact Research Publications", Workshop on "IPR and Anti-Plagiarism Practices", Workshop on "Indian Knowledge Systems", and a Faculty Development Programme (FDP) were successfully organized for faculty members and research scholars. The programmes witnessed active participation and reports were submitted to IQAC.
2.	Review of institutional committees	It was decided to review the functioning of institutional committees to ensure effective implementation of academic and administrative responsibilities.	A meeting was taken to review the functioning of the institutional committees, and necessary suggestions were communicated to the concerned committees for effective implementation of their responsibilities.
